The Doon School's Summer Leadership Programme

- June 2, 2018 to June 16, 2018 (both dates inclusive)
- The Doon School, Dehradun
- INR 1.42 lacs per participant

The Doon School, India's pre-eminent boarding school, is offering a two-week residential course to enterprising boys and girls in Grades 9-12 (14 - 18 years) who are passionate about making a positive impact on the world around them. In a safe, secure, supportive but challenging environment on The Doon School's famously beautiful Chandbagh estate and in the surrounding countryside, students will learn how to put ideas into action and build their leadership capabilities.

An intensive but lively programme, based on Socratic Dialogues, leadership case studies, creative experimental learning, outdoor adventure, social service, self-reflection and group interaction, it guides students through modules drawing on the The Doon School's immense experience in developing leaders. Join other inspiring girls and boys for an enriching experience of a lifetime, and leave here exhilarated, thoughtful and empowered.
