The Doon School's Summer Leadership Programme

- May 23, 2020 to June 6, 2020 (both dates inclusive)
- The Doon School, Dehradun
- INR 1.50 lacs per participant

The Doon School, India's pre-eminent boarding school, is offering a two-week residential course to enterprising boys and girls in Grades 9-12 (14 - 18 years) who are passionate about making a positive impact on the world around them. In a safe, secure, supportive but challenging environment on The Doon School's famously beautiful Chandbagh estate and in the surrounding countryside, students will learn how to put ideas into action and build their leadership capabilities.

An intensive but lively programme, based on Socratic Dialogues, leadership case studies, creative experimental learning, outdoor adventure, social service, self-reflection and group interaction, it guides students through modules drawing on the The Doon School's immense experience in developing leaders. Join other inspiring girls and boys for an enriching experience of a lifetime, and leave here exhilarated, thoughtful and empowered.

What they say:

"The most challenging thing for Vedant was to stay away from home initially but as days passed he didn't want to come back."

- Mithun Agarwal

"We will definitely encourage friends and family to give it a go. The programme achieves the objective of "Freedom with responsibility."

- Vaishnavi

"The most challenging is not during the program but after the program. What now? After experiencing this nothing else compares. Perhaps the school can have a Level 2 of this. After all, there is a deep emotional connect made. And there has to be a coping mechanism for that"

- Romsha Singh

"I heard about it from a friend who had attended it, and I wasn't very sure about it in the beginning, but once I saw the schedule, I decided to choose it."

- Vanshika Daga

"It is a pleasure to send my son Arahaan Jhajharia for S@Doon program. He had an amazing experience. He loved the campus. He is now so fond of all the teachers he interacted with. He is missing all the friends he made at Doon so much that he is Doon sick."

- Swati Jhajharia

"I was very shy and never spoke out but now that has changed. I had a great time and have made many unique friends."

- Avishi Gupta
