Glimpses from the sessions

Doon students were in for a delightful time on Saturday when a host of literary experts interacted with them at The Doon School as a part of the Kumaon Literary Festival's (KLF) outreach program. Noted writer-poet Abha Iyengar, who is also the chair of Literary Bhagidari, held a special creative writing workshop for the students. Adding to the excite-

ment, famed storyteller Fouzia Dastango held a dasatangoi (medieval art of Urdu storytelling) session for them. Sumant Batra, founder of KLF and Daleep Akoi, chair of KLF organising committee, spoke to the participants, which included students from a number of Doon-based schools, about the KLF which will be held in October this year.
