The Doon school, established in 1935, is one of India's finest schools, with a strong intellectual heartbeat, an unequivocal commitment to social service, a curriculum that develops leadership, and an alumni network with a global reputation.

We aim to transform our boys into educated men, inspire them to be just and ethical citizens; train them to be wise and principled leaders; prepare them to be members of an aristocracy of service inspired by ideals of unselfishness, not one of privilege, wealth or position. We also prepare them remarkably well for success in their college admissions and future careers.

For the armed forces we waive the registration fee and offer a scholarship of 50% off the total fee for the top five students.
