About You and Your Learning In The Classroom Environment (This is important for us, but will also be good practice for applying to universities/colleges in the future!)

Your Current School: **Your Current Class/Year/Grade:**

Teacher Referee Name: **Subject**

Referee's Email (official email id) **Ph:**

- Please provide a brief letter of recommendation from one referee, who must have taught you during the past two years
- The letter of reference must be sent as a soft copy to summer.doon@doonschool.com from the official school id OR directly mailed on a school letter head.
- Please also provide copies of your last two report cards or school reports

- **Any other academic/scholastic achievement you would like us to know about:**

Your Learning And Activity Outside The Classroom

Please provide us with brief details of any co-curricular activities, special achievements, community service you have been involved in over the past two years (if you wish to attach these on a separate sheet, please do so). These may include sports, the arts, debating, public speaking, conferences you have attended, clubs, societies, expeditions, music/dance, social service, exchange programmes, posts of responsibility, etc. (You may be requested to provide proof of participation or achievement.)

Finally, but importantly, please write for us an essay not exceeding 300 words laying out your personal leadership agenda for the future.

(You may attach a separate sheet if you prefer, but do not exceed the word limit.)
