FACULTY

STUDENT-STAFF RATIO: **7:1**

ADMISSIONS POLICY

The school offers admission to boys from every state in India and to boys of Indian origin from across the globe. It offers a six-year course, the entry level being Class 7 and in some cases Class 8 also.

FINANCIAL AID

The school offers a means-tested bursary and our admissions are need-blind. We provide need-based as well as need-blind scholarships.

AWARDS AND HONOURS AWARDED TO STUDENTS

Students are awarded various awards for their contribution and excellence in academic, sporting and co-curricular areas of school. The most coveted ones are:

- **Scholars Blazer:** This is awarded to students who are 'scholarly' and have maintained highest academic standing in school. Almost 7–8 are awarded per year.
- **Games Blazer:** This is awarded to students who have consistently played for school and have achieved success for the team over a period of four years. Almost 7–8 Games blazer are awarded each year.
- **School Colours:** School Colours are awarded to boys of grade 11 and 12 who have shown integrity and responsibility in their school careers and particularly in activities that improved the life of the community.
- **Reading Awards:** The reading awards encourage boys to read and improve their reading skills. These awards give recognition to those who read in a number of categories; Senior, Medium and Junior each having Bronze, Silver and Gold levels. Colours in Arts, Debating (English and Hindi) Dramatics and Quizzing are awarded to students for their exemplary contribution to these areas in their school life.

HISTORY

The Doon School was founded in 1935 by S.R. Das, a barrister in Manchester, United Kingdom. Upon his return to India, he established this school based on the British Public Boarding School system with a vision to provide to boys in India the same educational opportunities as he had seen in Manchester. Situated at the foothills of the Himalayas, north of Delhi, in a campus of seventy acres, the school is home to approximately 539 boys.

THE SCHOOL'S MISSION

“To attract and develop exceptional boys and teachers from all backgrounds to serve a meritocratic India; inspire them to be just and ethical citizens; train them to be wise and principled leaders; and prepare them to enter one of the strongest fraternities – for life.”

PUPIL BACKGROUND

The Doon School is an all boys, non-denominational school for boys between the age of 12 and 18 from all sections of Indian society. The school has boys also from Non-Resident Indian families (NRIs).

INTELLECTUAL LIFE

The Doon School operates a seven-day-week traditional timetable with only morning classes on Saturdays.

The school is affiliated to the Council for the Indian School Certificate Examinations, the International Baccalaureate Diploma Programme and IGCSE (International General Certificate of Secondary Certificate). CISCE is one of the two national boards available in India. The Council conducts public examinations in March every year, at the end of Class X, XII for which it awards the Indian School Certificate (ISC).

At The Doon School, boys have the option of choosing either the ISC or IB Diploma programme, after Class X.

Subjects offered and subject groups are determined by the school. The School requires boys to retain at least one science subject and either level of mathematics in IGCSE and ICSE. The Indian School Certificate Examination Board (ISC) requires ALL students to take English as a compulsory subject and 3 other subjects. Students are required to pass in all 5 to complete the Grade XII ISC examination.

Please note the following:

1. The Doon School encourages ALL boys to choose 4 subjects in addition to English. This means boys study one more subject than the stipulated requirement.

2. The Doon School also allows boys to take an additional 6th subject.
3. Socially useful and productive work (SUPW) is an integral part of the curriculum at The Doon School. This is compulsory for ALL boys and a D or an E grade in SUPW results in pass certificate not awarded in the ISC examination. All students from grade 7 to grade 12 need to complete a minimum of 20 hours per term to be awarded a pass degree.
4. Creativity, action and service (CAS) is mandatory for all boys pursuing the IB Diploma Programme. A successful completion of all CAS requirements is essential for the Diploma to be awarded.

CLASS RANKS

The Doon School does not offer class ranks. The competitive nature of entry to The Doon School and the variety of academic backgrounds of its boys as well as the sheer breadth of opportunity within the curriculum, attempting to put a numerical rank that reflects the strengths and weaknesses of boys would not yield a true or useful picture of the accomplishments of final SC form (Class 12).

INTERNATIONAL GENERAL CERTIFICATE OF SECONDARY CERTIFICATE (IGCSE)

Compulsory	Sciences	Humanities
English Language; English Literature; Hindi Language	Combined Sciences; Env. Management; Physics; (one of these)	History; Geography; (one of these)
Mathematics	Option 1	Option 2

	Chemistry: 800

ACT Composite Average: 34

THE DOON SCHOOL CURRICULUM

The Doon School Curriculum (DSC) is rooted in the history of the School, focusing on the holistic development of the students. The School's value system is based upon boys being upright citizens of the world and in preparing them for roles of leadership and service in society.

Co-curricular life forms a critical part of the School's educational philosophy. Boys spend two hours a day in supervised activities. These activities include engagement in the fields of art, music and sports. Sport is played at the team and individual levels. The performing and creative arts enrich the education of each and every boy on campus. Numerous clubs and societies provide opportunities to boys to pursue

their interests and enhance their intellectual curiosity and skills of innovation. There are over 10 annual publications featuring all aspects of school life in addition to a weekly newspaper which boys have produced every week for 87 years. The above philosophy of the DSC is transitioned into the lives of the boys through the following pillars:

■ **The Doon School: National Pioneers in Social Service and Social Responsibility**

Social service has been an integral part of The Doon School since its inception. Mr. Arthur Foot, the first Headmaster, believed that “the boys should leave Doon School as members of an aristocracy, but it must be an aristocracy of service inspired by ideas of unselfishness, not one of privilege, wealth or position.” Every boy is involved in a wide variety of projects near and far as well as internationally through the Round Square Association. Building schools, teaching and providing medical aid are some of the work being done by our boys in urban slum areas and villages.

■ **Art:** The Art Department at The Doon School offers a vibrant, inspirational and engaging creative environment, where every student’s individuality and potential to fully realise their artistic ambitions is

highly valued. The Doon School has produced some outstanding artists, including the world-renowned sculptor Anish Kapoor.

■ **Music:** There is a strong tradition of Hindustani Classical Music and boys are strongly encouraged to learn one or more instruments to develop their knowledge and love of music. Boys can also study for the Trinity Board music examinations from the UK.

■ **Mid-Terms:** Each term boys head off for five days into the mountains. The Class XI and XII boys plan and undertake the trips on their own, which requires considerable leadership and organizational skills. Such an activity is still unheard of in many countries around the world and class VII-X go on escorted treks with their tutors.

■ **Sports:** Sport activities at the school are divided into 2 categories – major sports and minor sports. The **major sports** include football, hockey and cricket. These are mandatory for all boys. The **minor sports** include athletics, badminton, basketball, boxing, chess, squash, tennis, table tennis, shooting, and swimming. The boys are required to select at least one of any of these minor sports.

OFFERS

In the last five years (2017-22), boys at The Doon School have had offers from, and in most cases attended, the following universities: The list is in alphabetical order.

INDIA

Amity University, Delhi
 Ashoka University, Sonapat
 Bennett University, Noida
